

What is Docs on Ice?

Docs on Ice is an annual doctor's fundraising hockey tournament that is hosted by a different city each year to raise funds for a local charity. In 2012 we will see 800 doctors, as well as 50 medical students from across Ontario congregate in Peterborough for the 3 day event. The Greater Peterborough Health Services Foundation is set to benefit this year as all monies raised will help fund the Peterborough-based Youth Sports Concussion Program.

What is the Greater Peterborough Health Services Foundation?

The Greater Peterborough Health Services Foundation is a non-profit organization dedicated to improving community health care in the City and County of Peterborough.
