

- Foundation Provides Transport Chairs for Health Team Sites -

Peterborough, ON - The Greater Peterborough Health Services Foundation, in one of its first acts of community giving in partnership with the Peterborough Family Health Teams, has secured 20 transport chairs to be provided at Health Team sites across the City and County of Peterborough to create greater patient accessibility.

"We are very pleased to be able to support patient accessibility with the donation of these transport chairs," said Hannah Routly, Executive Director, GPHSF. "Our objective is to provide services in local health care that directly benefit the community and by donating transport chairs at health care sites we are providing patients with a huge convenience when they are visiting their health care providers."

The transport chairs were delivered to the following Family Health Team sites earlier today:

- The Medical Centre
- The Peterborough Clinic
- The Turnbull Medical Building
- Brookdale Clinic
- Burnham Clinic
- 555 George Street
- Scott Clinic
- Times Square
- Chemong Medical Centre, Bridgenorth
- Morton Community Health Centre, Lakefield
- Millbrook Health Centre
- Apsley Medical Centre
- Norwood Medical Centre
- Curve Lake Medical Centre
- Buckhorn Regional Health Centre

"The Greater Peterborough Health Services Foundation has kindly provided 20 transport chairs to further support our efforts in providing excellence in patient care," said Bill Casey, Executive Director, Primary Health Care Services. "All patients visiting Family Health Team clinics will benefit from the accessibility this provides, allowing patients greater convenience and ease when visiting their health care providers and specialists."

The Greater Peterborough Health Services Foundation supports health services in our community. Their mission is to fund capital equipment, research, education projects and community-based capital projects.
